Hey guys,

I know it's been awhile since I posted but maybe it will be a little more frequent now that I'm settled in. I relocated myself to Indiana then more recently Cambria county after being in Erie for years. I am looking to shake off the cabin fever of winter with some fishing. Anyone have any suggestions on places to try? I'm located just North of the town Northern Cambria, I'm thinking that it puts me close enough to the state college area to go there but I wouldn't mind having a place or two closer for weekdays. I know Peg Run and a fork of the Susquehanna are nearby. Also, if anyone is looking for someone to fish with in the area, shoot me a message.

Thanks for your help!
