Busy day Monday heading south. Figured I would hit a couple of favs on the way home.

This is below the Paradise over the bridge and up a few hundred yards.

I was talking with a real nice gentleman before stepping into the stream. We both agreed it was no secret there plenty of fish in this waterway, plenty of good places to fish for miles, just happens to be not always the easiest to figure out. Like a lot of streams there is a lot of learning to do.
