How do we know your not just recycling from your Italian friends?

You're Italian, aren't you? I have this argument with my Italian friends all the time, there is real symbolism in the Irish flag, it's not just a faded out Italian one.

Sorry, proud Irish boy, don't really know why...oh, because being a proud German is considered a bad thing thanks to that whole WWII thing, and I can't be a proud Russian (well, Ukrainian) thanks to that whole "communism" thing...

Back on topic, nice tie. I did an Irish tribute married wing a few years back, but I don't think I have the pics anymore.
