Hello everyone! New here and just wanted to say hello and introduce myself. I recognize a few people from other forums like fisherie and huntingpa. If youre a member on those other sites maybe list your screen name from there if its different and I will know you. I was steel junkie on fisherie and rambo93 on huntingpa just like here. My home waters would be Sugar creek around Cooperstown and Cochranon so if anyone is ever looking for someone to pal around with get a hold of me. Im young and always looking to learn. Thanks in advance for all the info Im about to soak up!
