gfen, I didn't give it much thought except that was a nicer way of saying that, aesthetically, I wouldn't have made those choices. Not as bad as a Usual though. Then not much is.

Back to Talleur. I watched this video a while back but last night went through quite a few of his other videos on that site. I shake my head I didn't pay attention to him when I was younger.

Good side forward on a dry fly is not something I thought much about until he discussed the rationale in the red quill video.
