Sasq, I would like to “reserve” the bed upstairs, by the stairway, (same as the last year) and not on the stove...

I will cook gentlemen (if you don't mind) so don't forget your 'TUMS' along with your toothbrush.

If I add a couple of tablespoons of brandy to the pot, don't blame me for not so precise casting the next day, the trout there are forgiving and take your clumsy fly anyway.

Anglers with more exquisite taste for porcini mushrooms, Le Blanc truffles, Vermont butter or Lower East Side cacciucco hold your horses or send me PM, I have to place order the time ahead.

Fishing would be heavy (and maybe catching too) so get your extra sleep before this exclusive event.
