I wanna start off with a very special thanks to Heritage-Angler(AKA Ed/AKA Birthday Boy) Without him these events would never be possible. Another thanks for the instructors who gave up their time to help out.. It was awesome seeing so many new faces this year and some of the same faces from last year who checked in again this year. There were a few people that were deeply missed this year(Stagger,McFinn,CathyG). We really do have a great bunch of guys on here and having Da Fox join us today was icing on the cake. I'm looking forward to the brush up days ahead. Anyone who wasn't able to hit the stream today or needs more help. Stay tuned. The brush up days are ALWAYS a blast.
