I think I can honestly say that was the best fishing experience I've had. Thanks to all so eager to share their knowledge, Im sure I gained a year of experience in one day. Also I caught more trout today then in all my days fishing combined. 4 browns and 2 rainbow all on the egg pattern Kindly donated by SBecker (I believe. Im horrible with names and information overload today.) Its very encouraging to meet people with a great attitude. I didn't know what to expect knowing the kind of elitists that are associated with this sport sometimes. Thanks to all involved. Really looking forward to learning, fishing, and hanging out with you guys in the future.
