Many thanks to all involved for a great day. I learned a lot yesterday; everyone was very willing to share info.....casting coaching; tackle talk (ie: The Twanger, the blood knot, furred leaders, napalm etc, etc, etc); one on one on-stream instruction (by the way D Dog, that fish was still rising at the white rock when I left....my one taker was on the downstream edge of that blow-down....but I missed him). Just a great group of people to meet and spend the day with; talking about our mutual obsession. Again, thank you very much!
