Once again Ed (AKA Heritage Angler), FoxGap and everyone that put the day together did a incredible job!! I'm thankful to have been able to help with these events when ever possible. DeltaDog, you are the man!! I could watch you tie dries all day long. You make it look so simple and easy. Thanks for the tips you gave me and that special fly!!! I'll be sure to get a bunch of those ready for May. Lunch was great too with all the great guys and young ladies. Although I wussed out on jumping into the water, it was a great thing to see all that did brave the weather and congrats to all that were able to catch some of those beautiful fish in the stream. The knowledge that comes from everyone on this site is truly priceless!!!! Thank You!!
