Welcome aboard. Remember one thing, we were ALL newbies at one time. Lot of talent and patience on this board. Asking is the best step to moving forward. Although I wouldn't wait until June. Get out with some of these guys and gals. It's ashame you didn't get on the board last week as we had our newbie event in Allentown this past Saturday, a bit of a drive but it would have been well worth it. We will be having a "brush-up" event there in April or May and you should consider joining us.

Good luck!
