You guys aren't looking very hard. Here's some premium "modern" reels and their weights:

Abel Super 5N - 5.0 oz

Nautilus NV 5/6 - 5.10 oz

Hatch Plus 4P - 5.20 oz

Galvan Torque T5 - 4.80 oz

Lamson Guru G2 - 4.90 oz

Orvis Mirage III - 4.8 oz

Orvis Hydros III - 5.0 oz

A nice reel at a good price point is the Allen Trout II, size 2 - it's 5.5 oz.

I have an Abel Super 5N on my 9' 5wt Z-Axis, and it balances about 2" back from the tip of the cork, without backing and line.
