I had a great time at the Newbie Jam! I can honestly say I learned more in one day by hang out and talking with everyone then I have in the last year of attempting to learn this sport on my own. A huge thank you to all the "seasoned" instructors that took time to educate us newbies. Thanks Phish_On and Gone Phishin for letting me tag along and absorb your knowledge. Hope to fish with you all again soon.

It was good meeting you man. We'll definitely go fishing again and you can show me some spots around that area. We should be heading to pennsburg for Easter.
