I like the idea of a drink holder, cigar ash tray, Ipod dock and speaker set up, plus a place to play you tube videos. You add surround sound and I will buy one (: The racing stripes I could do without and to be honest the drink holder isn't totally necessary but would still be pretty cool.

Jason, come on don't lie... You've got a friend in Pennsylvania.

Brilliant right? Also lots of magnet strips to hold hooks tools etc. Magnets are great. But how do they work?

Nick, PM me we will get together and develop our Mobile Mancave Tying outfit, and compete with Mike's.

PROFIT!!!
