March 20th to the 26th, just paffyish members only. Get a free line and backing with any reel purchase. That's a \$32.50 value! Just PM or email to get the promotion.

We're low in stock on a few reels and other items, but are trying to get them back as soon as possible. If we're out of something that you want, let me know and I'll be sure to reserve one for you as soon as we get it. Hoping to have items back in stock by the end of April at the latest.
