Magnetic sign board works great for keeping those little hooks you drop under control.and as for the rest 3 pair of shears,big,med,small,At least 4 bobbins,White,red,black and gell spun.2 hackel clamps,2 whip finish tools,Large and small,bobbin threader,Hair stackers large and med.Bubbing loop tool,assorted pins and needles.No pins for thread or floss unless the are out out the way and can be solo not stacked.I like to keep them seperate. Places for glues and clear coats. AND of course racing strips and a kooly holder.Cant wait to see it.
