fwiw, brad has the second nicest travel kit i've ever seen. iirc, maurice has one that's even nicer, but i might be wrong on the owner.

as to the OP, you can be as clever as you want, but nothing's gonna supercede a C clamp vice and a couple of zip lock bags.

if you need a bigger zip lock bag to store teh smaller ones, that's cool too.

anyways, good luck storming the castle.
