Like a Phoenix from the ashes, the Tully TU banquet has again risen. The event will be held at Fishpond West which is the mysterious building you have always wondered about directly across from the waterworks fishing area and at the end of Palisades parking area. Fishpond is a private catering facility that serves great food, right along the banks of the Tully. There will be entertainment, GREAT food and over \$10,000 worth of merchandise, trips, etc to bid on. Oh, ya, and obviously BYOB. Sacony Brewing will be there to introduce their new Stonefly IPA. It is suggested that one could simply fish all day then roll right on in for an evening of fun and games.
