Great writer! Not sure if it's the same Gierach book, but did you catch the part about Charles "Meek"? He made a comment a bout how cool it was that every car in the parking lot, had a copy of C.M.s' book on the front seat! Thought that was pretty neat.

Yea it was the same chapter in the same book that he made that comment. That book isn't one I own yet... I may look into it though.
