Section 5 of the regs water goes from where the stream goes under 412, all the way up to near the intersection of Goodman Dr and Creek Rd.

If you parked in the park off of 412, that's one hell of a walk upstream - even for you, my fleet footed friend. 😊

Go to the PFBC website, and below the header picture is the special regs link. It'll take you to a map, and one of the task bar options is for regs stream sections. Select the Saucon from the drop down menu, and you'll see the map of section 5.
