John Gierach does not know anymore about fly fishing in Pennsylvania Colorado Australia Alaska Canada than YOU or ME

He is trying to sell books You and I Know just as much if not more especially when it comes to fishing in PA

Uh, Gierach's books are far from being instructional, although he did do one about fishing high mountain streams, one about small streams, and another about bamboo, but I think they are more about his passion for the topics rather than a "how to" guide.
