He is trying to sell books You and I Know just as much if not more especially when it comes to fishing in PA

He might not know more about fly fishing PA than us, but I would be willing to bet he knows more about Colorado, Alaska, and Canada. He has fished at these places numerous times, and I bet not a lot of people on this board have fished these other places as much as him. Experience on streams makes you more knowledgeable than inexperienced.

I also like Gierach.
