PennKev if its the same OIP as in Altoona then I give it a two thumbs up.

I remember reading the pa section when I was on watch in Afghanistan, it made me want to cast a line so bad.

Better although it recently changed ownership.

I still haven't figured out how the OIIP franchise works, theres a bunch of them in the central part of the state. All are good but also all of them are a little different. The one in in Petersburg had been run by a actual Italian guy until about a year ago. There's one in Milheim that's also run by a real Italian. His kids speak Italian and everything. That is probably the best of the three OIP resturaunts I've been to.
