Yes and it showed the bbs reels so I clicked on that and it said no items to be shown. I finally called Orvis and asked them if they're all sold out. They said only in the size I and titanium size II. They still got black in size II. I ordered a size III in titanium. It's best to call to see what's available. This reel will match up to my old Orvis F&F 5wt.

Glad I didn't buy one a few weeks ago,lol.

Thanks klingy. 😊
