Nice! I fished it also today and Neshannock. Hooked into two on Neshannock, then went to cool spring after lunch. You did much better than me. I must of fished every hole in the entire special regs section(a little over a mile) except for the big rock hole (which had people everytime I walked by it) and I only caught 5. I guess thats where all the fish were! Or maybe I was just having a bad day. So you were fishing it around three? I might have seen you(along with the other people) as I was walking out.
