From PFBC, something positive proposed. This will see licenses.

The Commission will consider adding the following waters to its list of Approved Trout Waters Open to Year-Round Fishing regulated and managed under 58 Pa. Code §65.19:

County

Water

Lycoming and Tioga

Pine Creek from SR 414 Bridge in Blackwell (350 meters upstream of the confluence with Babb Creek) downstream to the confluence with Slate Run (upper limit of the 1.2 mile-long Delayed Harvest Artificial Lures Only reach), a distance of 11.1 miles

Lycoming

Pine Creek from 150 meters upstream of the confluence with Naval Run (lower limit of the Delayed Harvest Artificial Lures Only reach) downstream to the confluence with Little Pine Creek in Waterville, a distance of 15.1 miles.
