Agree. ^ I'm sooo tired of this competition crap! And it is crap.

I agree 100%. Flyfishing is not a competition and was never intended to be.

There is also competitive yoga at the National Yoga Championship in NY every year, the World Sauna Championship in Finland, Worm Charming Contest in England....

I guess the point is that competitive-type people can make a competition out of any darn thing, whether it seems appropriate or not. (I'm waiting for meditation and prayer group competitions myself.)
