I'm working in the Allentown area and will be stuck here the weekend of the 6th. I work 4 tens but I have to work that Friday so I figured I'd stay out here and fish rather than drive 4 hours home and four hours back on Sunday. I'm staying in Whitehall but I can go anywhere within reason. Just looking for someone to show me around or give some tips of good streams. I don't know my way around here very well. If we go, I can drive and maybe I'll even buy ya lunch and a beer if you can get me onto some fish.
