thanks for the offer bowmansbum I actually just ordered a sea eagle foldcat guide pontoon for 1500 free 3 day shipping. It looks like a good entry level boat for me and my buddy to use. Plus it also came with a 3 year warranty and 180 day return policy as long as I dont mess it up to bad :). Im hoping this will bring lots of new fishing territory to me this summer. Thanks for all the help and opinions this one will be able to fold up and I wont even need a trailer.
