Took the 1970 fenwick out on the pond in the kayak a few years ago. Guess you can't go home again. After 30 years of graphite the glass was limp as a noodle and heavy as a telepole. It's back in the rafters with the memory of the first trout I caught on a fly. personally, I baby my guitars. I had it up to Martin years ago and they had Waylon Jennings' red white and blue D-28 leaning against the wall with a ole kicked in it.
