We will be having the second annual Sandy Hook Jam on 11-18 this year .Which falls on a full moon and is usually a great day for striper fishing 🏆 . Hopefully we don't have any 50 year storms hit the week before again. We will most likely be staying at the Fairbanks again this year more details will be posted as we get closer to Nov. The motel is newly remodeled with new owners. The hotel has a very nice restaurant right next store that has a OK beer selection and fine Italian cuisine . So add this date to you calendars people . We had a blast two years ago hopefully we will have a better one this year . I'm looking forward to see how some of you have progressed over the last two years.

The hook will be open to almost all forms of recreation on May 1 .I will definitely make the trip for the opening to scope things out and give a report when I get back .
