SBecker.....i wanna go chopper fishin!!!! The last Jam w2e had at Hemlock Acres i ran into a competition/tournament on a stream that i think was an upper branch/trib to Penns , it was above where the cave is and facing upstream it was to the left of the cave. there were signs posted about the comp and there were lots of trout , i fished and caught a few but never saw another angler , anyone remember this or know where i was , it was my first trip to Penns and i was totally unfamiliar with the area , was i on private property? The only signs present were the ones explaining the tournament. Chopper fishin with SB YEAH!!!!
