How exciting, a big box store coming to put several local merchants out of business! What a privilege!

I dont know about all Cabelas locations, but around the Hamburg Cabelas that didnt happen. When it was announced that Cabelas would be building a store in Hamburg, they said that it would add tourism and more retail stores to the area. The area has grown alot since Cabelas, there are many new stores and resturants.

Good luck, Tony
