I think we show a sad diservice to all the mom n pop shops , that tirelessly over the years created and fine tuned this sport we love into what it is today , these people had passion for the sport. Cabelas is just another faceless , formless corporation . their passion is cash profits and the bottom line.

Cabelas's was a mom and pop store at one time!!!!!!

Cabela's stores have a place. They are better than Dick's or Dunham's but don't compare to a good local fly shop, archery shop, gun store etc.

And if your local fly shop got it's butt kicked when a cabelas opened up nearby, it wasn't a good shop to begin with. Cabela's "fly shop" is not much to write home about. At least not in the Wheeling store.
