NICE!! I wasn't sure if you were coming. I've got Tom from NJ and he's chomping at the bit. Josh has been talking to "big Frank" and I think he'll be up there at the same time so let the games begin.

So far, I think we'll have wbranch, wsender and Shane making it up for some of the week. Bruno and Alby will be there when we arrive. RickinPA maybe?? PhilC if he can get the ok from the boss (aka wife). Not sure if Brandon will be fishing with us at all.
