Nope. That forum is way too tough. JB would ban you if you posted the word "poop". With that said, it's my favorite fly shop to visit up there. Dennis is a one of a kind (thank God) and he ties some of the best flies I've ever seen.

A few years back, I'm standing there talking to Walt about long casts with WF versus DT and which keeps more line in the air without collapse. 2 guys from NYC stroll in and yell out "Hey, where's a good place to catch trout around here?" Dennis looks up from his vice and says "In the f**king water." Needless to say, those guys walked out.

My very first trip in there just after they had started the business was awesome. I walked in to see Dennis tying flies. I nodded and said "Hi, how are you." He looked up and said "Great, how the f**k are you?" I was stunned but also knew right then....I love this guy! LOL
