afishinado,

I hear you.

I am going to tell my wife to stop giving our kids clothing to Good Will when they out grow them, Ill have her just return it all for new stuff that fits. Maybe she can return the bread to the store when it gets hard and moldy too. I have been so stupid all these years, instead of buying new work boots every year I should have just returned them.

Can you imagine if everyone thought like this? Every product that we buy would cost 1000x more.

Good luck, Tony
