For anyone on the fence or planning on coming, you will want to poop or get off the pot when it comes to booking a room. The Hendrickson and drake hatches draw bigger crowds and lodging is tough to find if you wait too long. Get your own or split a room. Whatever works best for you. I think Ines will be holding 2 rooms extra for a little while in case we have extra anglers. Number to the Capra Inn. 607-637-1600. Tell them you are with the PAFF group. Thanks
