Maybe....I had on a camo jacket(then later on a grey hoodie), orvis breathables, and a fishpond waistpack w/ net. My brother had on an orange jacket, but he quit fishing a little earlier than I. Towards the end of the day I was making a fool of myself getting all tangled up in the trees in the lower dhalo lol. I fished and caught fish in the whole section though. We caught around 20 total, and like I said no browns just bows and a few brookies. Weird.
