Mike,

Our chapter runs two food stands every year at two locations along the Muddy Creek watershed. One in High Rock and one in Woodbine.

We make a few bucks and get to talk to lots of folks and push memberships. Grills, dogs, brauts chili, cookies coffee. Its a real good time. Bustin chops, seeing old friends, do a little fishin.

My buddy got 4 wild brownies and a stocked brown on minnies, I fished all flies an was skunked until I tipped a minnie on my bugger and got a bow on the second cast.
