I might be in for May 1. got to seen when it get closer to the date. I am going to try to get down there as much as possible this spring. still tying for that 20 pound fish on the fly. I'm thinking a bunker head fly may be the ticket. first I have to figure out how to tie it.

I'm not sure what my scedule will be like for May 1 yet. But most likely I will be taking off around that date depending on the weather . We should all agree on a date to meet so we can organize a mini Jam . As long as its not sun I should be able to attend.
