Agree with Maurice...Opening day isn't a very good barometer of on the stream behavior IMO. I'm not trying to justify some of the antics you see, but you need to have a different set of expectations on opening day on an ATW. If you see someone else streamside on any of the other 51 Saturdays throughout the year odds are they understand the basics of good stream etiquette and will be respectful of other anglers.

I debated on going out yesterday, but opted to scratch some honeydo's off the list instead. Hoping the rain and Easter Sunday have things a little more quiet today on one of my favorite ATW's...gonna be going for the stockie slam!
