I wish that's the way it was for this. Everything for the past 2 months pointed AWAY from me being able to make this thing, and I tried with all my might to make this work, but today the last nail was driven and I just had to throw my hands up and say, "It ain't gonna happen for me this year."

I'm really disappointed. I was looking forward to Saturday night a lot. The company, the food, even had my rez. guitar all strung up and ready to go for the Shakey-Sasquatch jamboree. It just sucks donkey.
