I started tying flies in 1957 when I was 12 years old. I'm now 69 years old- so maybe I've got the record at 57 years??

I've tied over well over 20,000 flies.

All of my fly tying material was in that round cookie tin and a little wooden box on the table. The book on my lap is "Matching the Hatch". I remember I was trying to tie what Marinaro has mstakenly called a Caenis when in fact it was later determined to be a Trico.
