I'll be working at McConnell's beginning at 11a.m. and we'll be glad to have you cast some rods. When I work with someone purchasing a rod they usually get some subtle casting instruction thrown in, too. If you come in after 11 you can ask for Dave - that's me.

Sounds good! I'm going to try to make it, so if I do, I'll make sure it's after 11.
