i usually park at the heritage fly shop and go from there. I WILL fool these fish, its just a matter of how long it takes...

Jim

Hi Jim,

In the event you didn't already know, we just had a beginner's seminar at the LL recently (it can be seen on the home page blog). There are many from the PAFF community who fish the LL. Keep an eye on this thread but also the Events and Meet Up forum for info on the next get-togethers on or near the LL.
