Yeah Swattie this one surprised me. Including the last fish of the day. I was fishing a nice pool and I thought I saw a rise on the seam on the other side so I cast over there and wow, what a gorgeous fish. He was pushing a foot. There is a hiking trail along the creek but as far up as I was it was well up above me and I did not notice the hikers taking pictures of me playing and landing that fish. I was ready to dive in after that fish if I couldn't get him untangled, but now knowing they were watching I'm glad it didn't come to that. 😊
