I stopped at FDR for a brief while tonight. No snakeheads. No bass either. One sunny.

I'll be back, and I'll get one of those damn things. I gotta tell ya, once you get by the trash, grills, and shopping carts in the water, it's a real pretty place. I was offered tons of fishing advice from the seedy locals, and after a few minutes, they offered a bit of their dutchie. I had to politely decline, but hey! Philly people aren't all that rude after all!
