I definitely had a blast catching them, they aren't the best fighters compared to other fish, but everything fights great on the fly rod. And too bad they weren't in season, wouldn't mind keeping one for dinner.

Quote:

This time of year is a good time to target walleyes as they are often easy to find stacked up at low head dams. They love a small, dark colored streamer stripped slowly just off the bottom.

This entire post couldn't be more true 😊
