Wondering if there is anything in the works for another newbie jam or the possibility of another?

Why, yes there is!

Foxgap239 will be making the decision as to the date.

At this point, all I can say is it won't be the weekend of the Jam - 'cause we'll be there participating in the festivities. Like Afish said, there's lots of opportunities to fish with some experienced fishermen at the Jam. If there is just one event you plan on attending, this is "the one".

Any newbie "brush up days" will be announced in the Events forum and the Beginner's forum. Stay tuned...
